

Leading People Doesn't Have to be *So Hard!*

Frustrated with the lack of Engagement or Performance from your team? Or worse, have you experienced a Surprise Departure? Our Four-Week Connected Leader Course teaches you the *Four Highest-Impact Practices* effective leaders use that result in increased **Engagement, Retention, & Performance** from your Direct Reports.

What You Learn In the Course

CONNECTED LEADER PRACTICES

- 1 *Form Connections through Effective 1:1 Meetings between You & Your Direct Reports.*
- 2 *Shape Performance by Providing & Receiving Feedback that Connects.*
- 3 *Increase your Team's Competency by Micro-Skilling Up your Reports.*
- 4 *Grow your Leadership Bench by Identifying & Delegating to High Potential Reports.*

“ Mike brought a wealth of knowledge from various research areas that bolstered his ideas about how to engage our people and build future leaders.

Who Is This Course For?

Connected Leader is for any Manager or Leader with people who report directly to them, whether you have one report or ten. You will find value in our Connected Leader Practices if you're a First-Time Leader who needs step-by-step guidance or a Seasoned Leader looking to continually improve.

How The Course Works

Informative Lessons + Practice Forums

We believe the best learning comes from closing the gap between **Knowledge and Practice**. Our unique approach combines *Four Informative Lessons* with *Three Peer Learning Forums* to start you on a path to success.

“Peer learning segments were highly valuable. We heard real stories, real questions, etc., and shared solutions and ideas.”
